WHAT WE DO

International Strategic Associates Corporation is an Ohio based service disabled veteran owned small business (SDVOSB) specializing in case review and analysis. Our analysis includes the development and preparation of demonstrative aids. Charts, timelines, graphs, maps and other illustrative media enhance significant facts for mediation, arbitration or alternative dispute resolution and litigation efforts.

WHY ISAC?

Demonstrative aids are a powerful tool during negotiations, civil and criminal trials. **ISAC** products transform voluminous amounts of evidence into comprehensible, useful tools that illustrate the facts.

ISAC serves as a consulting firm with both domestic and global connections. Our unique combination of work and global experience provides you with an innovative and strategic advantage.
